VILLA LAKEVIEW GOLF, LAHTI

The large, well equipped kitchen is a nice place to enjoy cooking or even to cook with a chef

## SELF-MADE OR READY-MADE

When on holiday, dining should be easy, being it ready-made from a restaurant or self-made from the kitchen. Cooking together with colleagues might be a nice conclusion for a meeting, and the large, well equipped kitchen is just like made for that. Own alcoholic beverages are allowed.

All the restaurants in the city are relatively near, and most of them provide home delivery. Many guests have enjoyed a visit to an American style diner, Bus Burger, at a distance of only a couple of minutes by car.
